PROFESSIONAL SUMMARY

Experienced Full Stack Developer with a strong emphasis on frontend technologies. Specializing in crafting visually appealing, performance-optimized web interfaces. Committed to delivering exceptional user experiences through mastery of frontend development

PROFESSIONAL EXPERIENCE

AskFundu ⤢
Frontend Developer
08/2022 – 12/2023 | Delhi NCR, India

- Collaborate with cross-functional teams to develop and implement front-end solutions for web applications, ensuring a seamless user experience.
- Translate UI/UX designs and wireframes into responsive and interactive web interfaces using React.js, MUI, HTML, CSS, and JavaScript.
- Lead the integration efforts of Commetchat, Chart.js, Donut Chart, Lightweight Chart, and Line Chart libraries into web applications to enhance data visualization and real-time communication capabilities.
- Built a React Native mobile application from scratch, leveraging the power of JavaScript to create a cross-platform app with native-like performance and user experience.
